

# BE PROUD OF YOUR CHILD

*ALL* parents want their children to get a good education. However, few parents understand the meaning of what good education is?

## GOOD EDUCATION IS:

- \* *proper teaching at schools through books & computers*
- \* *caring teachers to mould the correct behaviour of students*
- \* *effective discipline methods of the school*

- \* *understanding the needs and interests of the child*
- \* *the right balance between studies and activities*

**SINCE 1992 CALIFORNIA SCHOOL** is one of the few schools in H.K. where you see most of the features of good education.
